

## **On setting tariffs for compulsory insurance against loss of occupational capacity as a result of industrial accidents and occupational diseases**

In connection with the implementation of Item 1.4 of Decree No 289 of President of the Republic of Azerbaijan 'on application of the Law of the Republic of Azerbaijan on Compulsory insurance against loss of occupational capacity as a result of industrial accidents and occupational diseases' dated 2 July 2010 the Cabinet of Ministers **decides:**

1. determine weights of professional risks in order to set tariffs on compulsory insurance against loss of occupational capacity as a result of industrial accidents and occupational with the decision of the State Statistics Committee of the Republic of Azerbaijan dated 14 November 2008 and on the types of activities specified in the 'Annex to the 3rd version of the Classification of Economic Activity Types' approved by the order of the State Committee for Standardization, Metrology and Patent of the Republic of Azerbaijan dated 22 December 2008 as follows:

<b>Type of economic activity</b>	<b>Section and code of the type of economic activity</b>
<b>1</b>	<b>2</b>
<b>Risk weight 1</b>	
Provision of services by residential areas	I 55
Software development, consultancy and related activities	J 62
Information services activity	J 63
Financial activities (except insurance and pension provision services)	K 64
Insurance, reinsurance and pension provision	K 65
Legal and accounting activities	M 69
Activities of central offices and activities in management	M 70
Researches and developments in social and human sciences	M 722
Publicity and market research	M 73
Employment activity	N 78
Advance booking service of travel agencies and tour operators and related activities	N 79
Provision of landscape change services	N 813
Public administration and defense; compulsory social security	O 84
Activities of public unions (organizations)	S 94

Activities of organizations with the right to immunity	U 99
<b>Risk weight 2</b>	
Car sales	G 451
Sale of parts, assemblies and accessories for cars	G 453
Wholesale trade, except for the sale of cars and motorcycles	G 46
Retail sale, except for the sale of cars and motorcycles	G 47
Postal and courier activities	H 53
Provision of services related to sale of beverages and food	I 56
Activities related to production of motion pictures, video and television programs, sound recording and music publishing	J 59
Activities related to development of programs, broadcasting of radio and television programs	J 60
Other activities in information technologies and computing	J 63
Support activities in financial services and insurance	K 66
Real estate related operations	L 68
Architectural, engineering searches and provision of related technical advice	M 711
Researches and developments in natural and technical sciences	M 721
Other professional, scientific and technical activities	M 74
Rental and lease activities	N 77
Cleaning activities	N 812
Administrative and other additional activities aimed at business security	N 82
Education	R 85
Healthcare activities	Q 86
Provision of social services	Q 87
Provision of social services without housing	Q 88
Other activities in art and carrying out cultural and mass entertaining events	R 90
Activities of libraries, archives, museums and other cultural institutions	R 91
Gambling and betting activities	R 92

Recreation and entertainment activities	R 932
Provision of other personal services	S 96
<b>Risk weight 3</b>	
Cultivation of annual plants	A 011
Cultivation of perennial plants	A 012
Plant propagation (planting)	A 013
Crop production related to animal husbandry	A 015
Garment production	C 14
Polygraphic activity and reproduction of information on carriers	C 18
Production of games and toys	S 324
Publishing activity	J 58
Veterinary activity	M 75
<b>Risk weight 4</b>	
Animal husbandry	A 014
Provision of agricultural services	A 016
Fish farming	A 032
Production of dairy products	C 105
Production of soaps and detergents, cleaning and polishing agents, perfumes and cosmetics	C 204
Production of pharmaceuticals	C 21
Sale of motorcycles, their parts, junctions and accessories, maintenance and repair of motorcycles	G 454
Activities of supporting technical services	N 811
Activities of private households with hired workers	T 97
<b>Risk weight 5</b>	
Hunting and breeding of wild animals and provision of related services	A 017
Production (processing) of meat products	C 101
Production of mill products, starch and starch products	C 106
Production of flour and flour products	C 107
Production of prepared animal feeds	C 109
Production of beverages	C 11

Textile industry	C 13
Maintenance of investigation and ensuring security	N 80
Production of leather and leather goods, shoes	S 15
Production of steam boilers, except for central heating boilers	C 253
Sport activities	R 931
<b>Risk weight 6</b>	
Production of other food products	C 108
Production of computer, electronic and optical products	C 26
Production of jewelry and artificial gems	C 321
Production of musical instruments	C 322
Production of sports goods	C 323
Production of various products not included in other groups	C 329
Decoration and finishing works	F 433
Warehousing and supporting transport activities	H 52
Repair of computers, personal items, household goods	S 95
<b>Risk weight 7</b>	
Processing and canning of fruits and vegetables	C 103
Production of vegetable and animal fats and oils	C 104
Production of tobacco products	S 12
Paper and cardboard production	C 17
Production of glass and glass ware	C 231
Production of refractory products	C 232
Production of other construction products from clay	C 233
Production of other porcelain and earthenware	S 234
Metal processing and metal coating, main technological processes of machine building	C 256
Manufacture of knives, tools and iron products	C 257
Collection, processing and destruction of waste; reuse of industrial waste	E 38
Pipeline transport activity	N 495
Technical testing and control	M 712
<b>Risk weight 8</b>	

Production of rubber and plastic products	C 22
Shipbuilding	C 301
Repair of finished metal products, machines and equipment	C 331
Passenger transportation by intercity railway line	H 491
Freight transportation by rail	H 492
Water transport activity	H 50
Air transport activity	H 51
Communication	J 61
<b>Risk weight 9</b>	
Processing of wood other than furniture and manufacture of wood ware and cork; production of impregnation and knitting materials	C 16
Arms and ammunition production	C 254
Production of machine tools	C 284
Production of furniture	C 31
Production of instruments used in medical and dental practice	C 325
Collection and destruction of other waste	E 39
Other land transport activities	H 493
Activity of truck transport	H 494
<b>Risk weight 10</b>	
Production of paints and varnishes	C 203
Production of other chemical products	C 205
Production of man-made and synthetic chemical fibers	S 206
Forging, pressing, stamping and profiling of metal, powder metallurgy	C 255
Production of electric wires and devices for electric networks	S 273
Production of electric lamps and lighting equipment	C 274
Production of household appliances	S 275
<b>Risk weight 11</b>	
Processing and canning of fish, crustaceans and mollusks	C 102
Production of abrasive products and other non-metallic mineral products	S 239

Production of other finished metal products	C 259
Production of other common purpose machines	S 282
<b>Risk weight 12</b>	
Fishery	A 031
Cast iron, steel and ferroalloy production	C 241
Production of steel pipes, hollow profiles and connecting parts	C 242
Manufacture of electric motors, generators, transformers and electrical distribution and regulating devices	C 271
Production of other electrical equipment	C 279
Production of common purpose equipment	C 281
Production of machinery and equipment for agriculture and forestry	C 283
Production of cars, trailers and semi-trailers	C 29
Production of railway vehicles	C 302
Production of military vehicles	C 304
Manufacture of vehicles and equipment not included in other groups	C 309
Car maintenance and repair	G 452
<b>Risk weight 13</b>	
Forestry and provision of related service	A 02
Production of coke and refined petroleum products	C 19
Production of basic chemicals, fertilizers and nitrogen compounds, plastic mass and synthetic rubber in primary forms	C 201
Production of cement, lime and gypsum	C 235
Production of non-ferrous metals	C 244
Metal casting	C 245
Production of other special purpose machines and equipment	C 289
Installation of industrial machinery and equipment	C 332
Supply of electricity, gas, steam and air conditioning	D 35
Water collection, treatment and distribution	E 36
Wastewater collection and treatment	E 37

Demolition of buildings and preparation of construction site	F 431
Installation of electrical and plumbing systems and other engineering equipment	F 432
Specialized construction works	F 439
<b>Risk weight 14</b>	
Coal and lignite mining	B 05
Crude oil and natural gas production	B 06
Extraction of metal ores	V 07
Other sectors of the mining industry	B 08
Providing services to the mining industry	B 09
Production of agrochemical products	C 202
Production of concrete, gypsum and cement products	C 236
Cutting, processing and patterning of decorative and construction stones	C 237
Other preliminary processing of cast iron and steel	C 243
Production of construction structures and products from metal	C 251
Production of metal cisterns, radiators and tanks	C 252
Production of batteries and accumulators	C 272
Manufacture of aircrafts, including spacecrafts	C 303
Construction of buildings	F 41
Civil construction works	F 42

2. Depending on the weight of occupational risk and the categories of insured persons set tariffs for compulsory insurance against loss of occupational capacity as a result of industrial accidents and occupational diseases as follows:

Occupational risk weight	Insurance tariff on categories of the insured (in percent)	
	servants	workers
1	0,2	0,4
2	0,2	0,5
3	0,2	0,6
4	0,2	0,8
5	0,2	0,9

6	0,3	1,0
7	0,3	1,2
8	0,3	1,4
9	0,4	1,5
10	0,4	1,6
11	0,4	1,7
12	0,5	1,8
13	0,5	1,9
14	0,5	2,0

3. take into consideration that, breakdown of insured persons by categories according to the nature of labor functions performed in the production, which are used in determining compulsory insurance rates for cases of loss of occupational capacity as a result of industrial accidents and occupational diseases is regulated with the 'Regulation on classification of those who are compulsorily insured against loss of occupational capacity as a result of industrial accidents and occupational diseases by categories according to the nature of labor functions performed in production' approved with Decision No 192 of the Cabinet of Ministers of the Republic of Azerbaijan dated 29 October 2010.

4. This decision shall take effect from the day of signing.

**A.RASIZADEH**

**Prime Minister of the Republic of Azerbaijan**

Baku city, 5 November 2010

№ 200
